CALIFORNIA LEGISLATURE—2003–04 REGULAR SESSION

ASSEMBLY BILL   No. 385

Introduced by Assembly Member Nakano

February 14, 2003

An act to amend Section 19849.7 of the Government Code, relating to state employment.

LEGISLATIVE COUNSEL'S DIGEST

AB 385, as amended, Nakano.   State employees: salary or wages: itemized statement.

Existing law requires each state agency at the time of each payment of salary or wages, whether by direct deposit by electronic fund transfer or otherwise, to furnish each employee an itemized statement in writing showing all deductions made from his or her salary or wages.

This bill would require each state agency to furnish each employee, at his or her discretion, the itemized statement in writing or electronically.

The bill would specify that the provision of an electronic statement would be contingent upon the funding and implementation of a specified project, and that it would be provided only to the extent that the project enables the Controller to provide this information electronically.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1   SECTION 1.   Section 19849.7 of the Government Code is
